

Docent Pamela Buchwald

Fellowship vid colrektalenheten i Christchurch, Nya Zeeland

Jag vill tacka Gorthons stiftelse för det finansiella stöd jag fått under min tid anställd som kirurg i Helsingborg. Jag har bland annat via ett fellowship stipendium haft möjlighet att under nästan ett och ett halvt år haft möjlighet att kliniskt tjänstgöra och forska vid kolrektalenheten i Christchurch, Nya Zeeland. Nedan följer en lista på de publikationer som Gorthons stiftelse bidragit till under 2015-16.

Water soluble contrast enema examination of the integrity of the rectal anastomosis prior to loop-ileostomy reversal may be superfluous. A Larsson, G Lindmark, I Syk, P Buchwald Int J Colorectal Dis 3:381-4, 2015

Laparoscopic lavage vs primary resection for acute perforated diverticulitis. The Scandiv randomized clinical trial. JK Schultz, S Yaqub, C Wallon, L Blecic, H Mjorud Forsmo, J Folkesson, P Buchwald, H Körner, F Dahl, T Oresland on behalf of the SCANDIV study-group JAMA 2015; 13:1364-75.

Diverticular abscess: is conservative treatment a valid option? Pamela Buchwald, Liane Dixon, Christopher Wakeman, Tim Eglinton, Frank Frizelle. ANZ J Surgery 2016 Apr 8. doi: 10.1111/ans.13501

No benefit of extended mesenteric resection with central vascular ligation in right-sided colon cancer. F Olofsson, P Buchwald, S Elmståhl, I Syk. Colorectal Dis 2016 Feb 20. doi: 10.1111/codi.13305

Salvage surgical resection for patients with recurrent or residual primary carcinoma of the anus. Y Alamri, P Buchwald, L Dixon, B Dobbs, T Eglinton, J McCormick, C Wakeman, FA Frizelle. Eur J Surg Oncol. 2016 May 25. pii: S0748-7983(16)30156-1. doi: 10.1016/j.ejso.2016.05.006

Mesenteric panniculitis and malignancy; a paraneoplastic- or an epiphenomenon? Pamela Buchwald, *Lekha Diesing*, Liane Dixon, Chris Wakeman, Tim Eglinton, Bruce Dobbs, FA Frizelle. Accepted British Journal of Surgery

What condition is this and how should it be treated? Rectal GIST Pamela Buchwald, Eve Keller, Christopher Wakeman. *New Zealand Medical Journal* 2015:8.23

Low incidence of pelvic sepsis after Hartmann's procedure: radiation therapy and Hinchey III and IV are risk factor C Wetterhall, F Jörgren, Pamela Buchwald submitted Colorectal Disease
